THE COVERED WAGON ADVENTURE

Experience a Western Adventure into the Sonoran Desert like the early Pioneers, on a mule-drawn Covered Wagon! Your on-board, naturalist guide will share the history and wildlife, as you ride along the back-road trails and scenic canyons of the San Andreas Fault Oasis Preserve.

Returning to the ranch, you are greeted to the sounds of live music, games & the best sunset views in the Coachella Valley. Learn an optional barn dance and enjoy great tasting BBQ with all the trimmings. The good old days are still here!
